

Mobile Participant – Quick Reference Card – Adobe Connect 11.2

Log into your session from the e-Channel login page or by pasting the session link sent to you into your mobile device browser.

The Adobe Connect mobile app cannot currently be used.

Contact North | Contact Nord Helpdesk 1-888-850-4628, Monday to Friday, 7:30am ET – 10:30pm ET

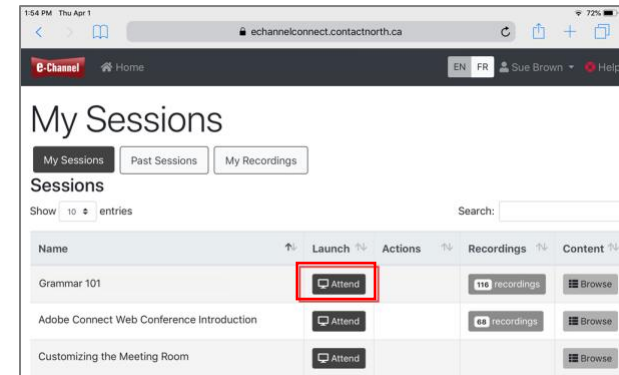

1. To login to your session from the e-Channel login page

Go to echannelconnect.contactnorth.ca on your device's web browser then enter your email address and password. Tap **Login**

Once logged in, you will see your "My Sessions" page.

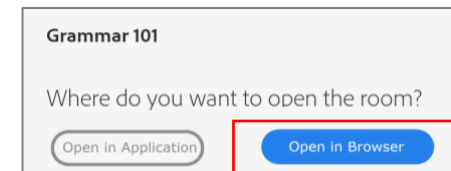

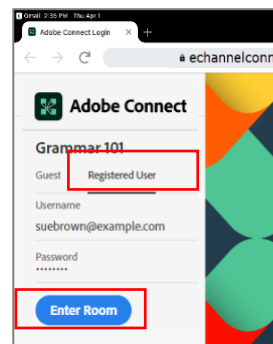

Find the session you want to attend and tap **"Attend"**.

2. To login to your session using a link

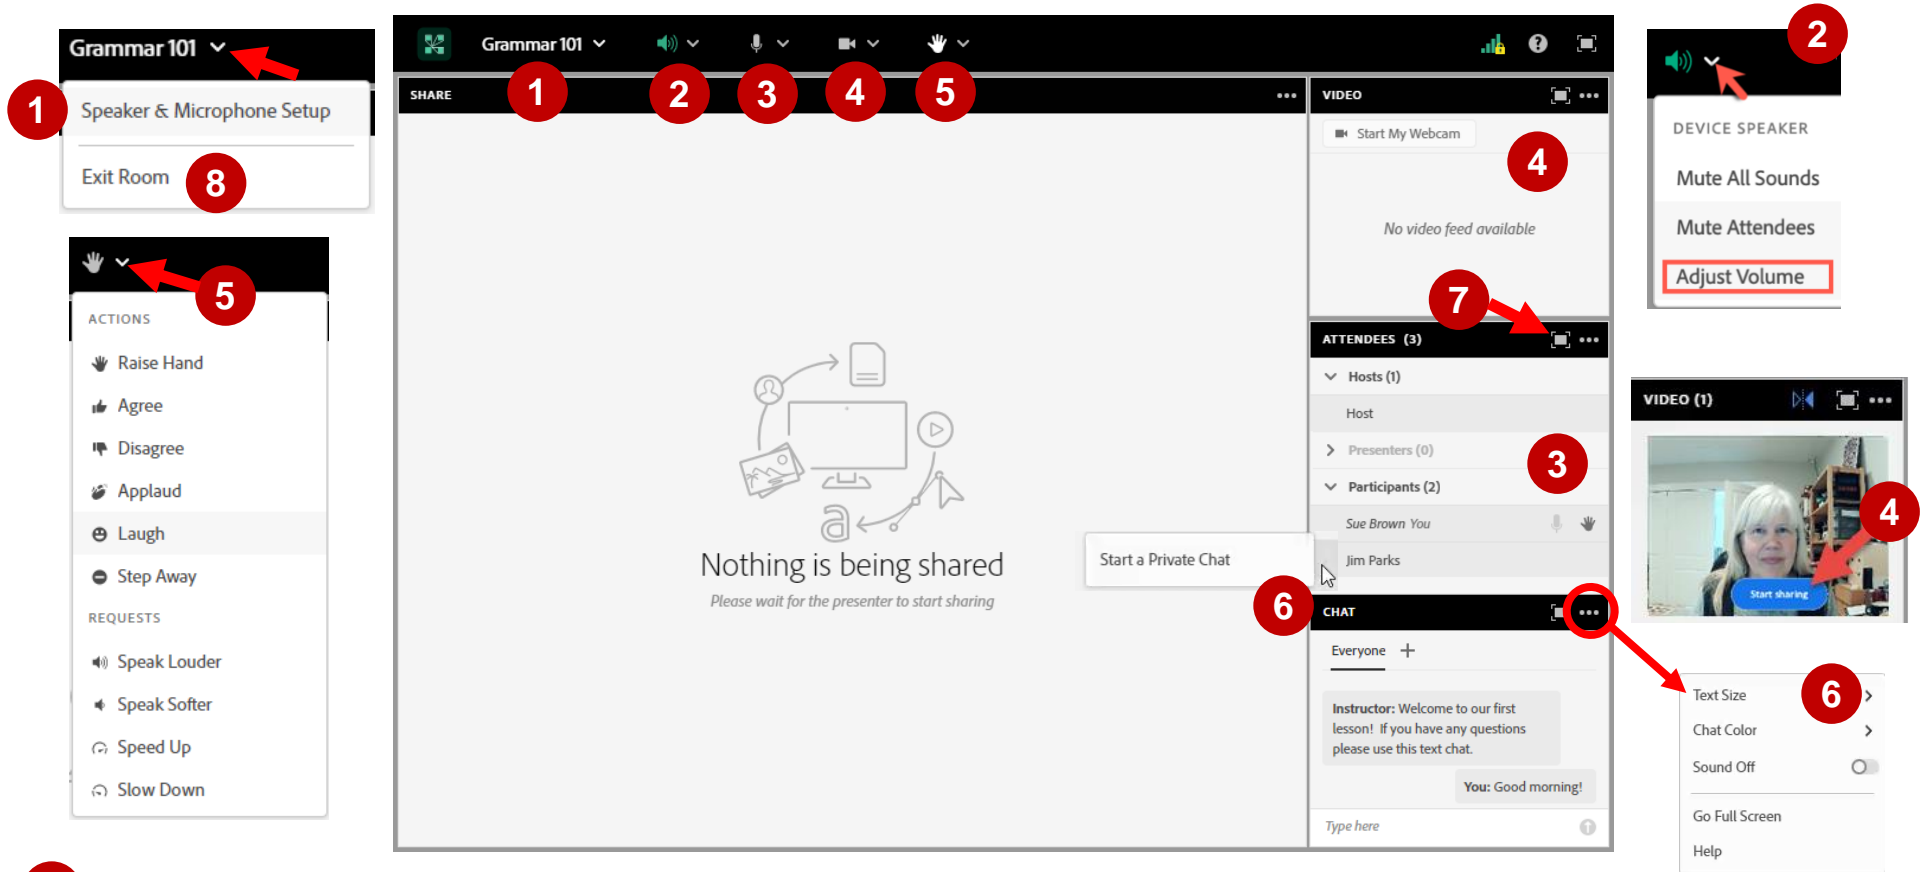

Tap the session link you received, then tap on **Registered User**. Enter your email address and password. *If you do not have a login, select Guest and type your name.* Tap **Enter Room**.

Select **Open in Browser**. The mobile application is not currently working.

For more Adobe Connect resources, see echannelconnect.contactnorth.ca/help/participant.

Adobe Connect 11.2 Mobile *Browser* Participant

- 1 Test your **Speaker & Microphone** from the Meeting drop-down menu.
- 2 Adjust sound volume from the Speaker drop-down menu. *You may need to enable speaker permissions in your device settings.
- 3 If the host enables your microphone, you will see a grey microphone in the Menu bar – **tap to turn on the microphone, tap again to mute the microphone.**
* You may need to enable microphone permissions in your device settings.
- 4 If enabled, you can share your webcam by tapping the **Start My Webcam** button on the Video pod or the webcam icon in the Menu Bar. Preview your webcam image, then tap Start Sharing to share your video with all participants. * You may need to enable camera permissions on your device settings.
- 5 Tap the hand icon to **raise your hand**. Show other feedback – agree, disagree, laugh, applaud, step away, by clicking the drop-down arrow beside the hand. Your feedback icons show beside your name in the Attendees pod. To remove a feedback icon, click it again. Laugh and applaud disappear after a few seconds.
- 6 To use **Everyone Chat**: type in the Chat pod and **tap the Send arrow**. The menu in the top right corner of the Chat pod sets Chat font size, colour and notifications. *If private chat is enabled*, use the + to start a private chat or tap on an Attendee's name and tap Start a Private Chat.
- 7 Tap the full screen icon  to enlarge a pod. Tap again to return to normal size. **Mobile in browser users can use File downloads and Web Links.**
- 8 Your instructor may end the session for everyone. You can leave the session with **Exit Room** from the Meeting drop-down menu.
